

To the FDA:

RE: DOCKET NO. 98N-1265

I send this letter as a consumer of healthcare services to register my concern and disapproval of the Memorandum of Understanding as published by the FDA on January 21, 1999.

In its present form, the MOU, as well as the Compounding Section 503A of the Modernization Act, severely restricts the rights of the physicians and patients to obtain healthcare products from the provider of their choice. It also infringes on the rights of compounding pharmacists to serve the public's medical needs. ⁰⁶⁶⁴⁻⁹⁹ ^{01/29/99} ^{11/28/99} Also, healthcare consumers should be no restrictions to the delivery of a compounded medication prescribed for me, regardless of where I may live or may travel. The MOU must be amended!

Signed: Munya Lovares

State of Residence: Mass.

Comments: Receiving my prescription from
an out-of-state compounding
pharmacist has kept me from being a
chronic migraine sufferer. Please help me
to stay healthy. Please amend MOU.
